

Clearance Sale! 50% off "hurt books"

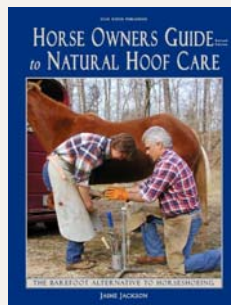

Choose from our most popular titles at 50% off, or discounts ranging from 20-40% off on other quality titles. It's a great time to add books you've been wanting to read or purchase one for a friend!

Get organized with our FREE Record Keeper download! The Record Keeper is a practical organizer for natural hoof care -- a handy 6 page method for keeping track of hoof measurements and other important trim information. Chart your horse's progress, keep all your notes in one place, and make the most of your observations during each trim session. No purchase is necessary to take advantage of this download.

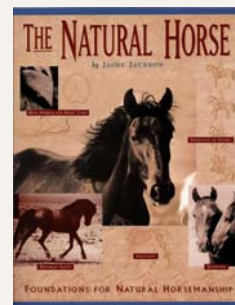

Visit www.star-ridge.com for your free Record Keeper!
